WHAT'S YOUR CASE REALLY WORTH?

WINNING INJURY CASES SINCE 1967

Trust

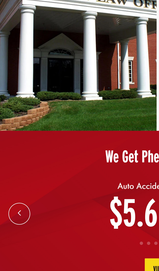
Ken Nunn has been top-rated by judges and lawyers for honesty and know-how. Only 10% of lawyers in the country have received this rating.

Reputation

Not all lawyers are the same and the insurance companies know it. We lead the state of Indiana for over 20 years for doing the most injury jury trials.

Experience

Ken Nunn Law Office has over 50 years of experience protecting the rights of injury victims. We know how to fight and we know how to win.



Attorney Ken Nunn

Attorney Ken Nunn has built one of the most prominent and respected personal injury law firms in the country, but his journey to success was not an easy one. Ken grew up poor and much of his childhood was spent without a permanent home. Being poor made him stronger. As a 16-year-old high school dropout, Ken worked hard to go back to school, improve his grades, and eventually gain acceptance into Indiana University Law School.

Ken attributes much of his success to the hardships he faced early in life and truly believes you can accomplish anything if you're willing to fight for it and put in the work. Throughout his long career as an Indiana personal injury lawyer, Ken has applied his same mentality and determination to fiercely representing accident victims across Indiana who are facing unimaginable challenges.

Not too bad for a poor kid from Jeffersonville, Indiana.
